

Accessibility FAIL — exact locations

rosnerconcpd.wpenginepowered.com · the red outline + label marks the exact element that fails

One FAIL item is not visual: the page's `viewport` meta tag disables pinch-to-zoom (`user-scalable=no / maximum-scale=1`). That is a settings line in the theme header, not something on screen — it blocks mobile users from zooming in, which is a WCAG violation.

Search button — no accessible name **CRITICAL**

The magnifying-glass search button in the header has no label a screen reader can announce.

Logo link — no accessible name **SERIOUS**

The logo image link has no text alternative, so a screen reader cannot say what it is.

Context — desktop header

The desktop header features a navigation bar with the Rosner Concierge Medicine logo on the left, a menu of links (ABOUT, CONCIERGE MEDICINE SERVICES, MEMBERSHIP, FAQs, CONTACT), a search icon, a phone number ((610) 839-8650), and a "Become a Member" button. Below the navigation bar is a large hero section with a background image of Dr. Andrew Rosner. The hero section contains the text "CONCIERGE MEDICINE WITH DR. ANDREW ROSNER" and a sub-headline "In Wayne, PA - Named 'Top Doctor' in Main Line Today in 2023, 2024, and 2025." Below this text are two buttons: "Call Now" and "Learn About Membership". A privacy notice pop-up is visible in the bottom right corner of the hero section.
